**\*\*\*All student fee checks should be payable to: *Otsego Board of Education*.\*\*\***

Students will be receiving their student agenda book during registration as well. It is imperative that parents/guardians read this book carefully, as it entails various procedures and policies on attendance, dress code, discipline, and transportation.

For students that wish to lock their school locker/athletic locker, the office sells locks. It is mandatory that a student purchase a school-issued lock which becomes their personal property at the end of the school year. **\*\*\*If students choose *not* to have a lock on their locker, they are responsible for any items they have in the locker.**

-**Yearbooks** for the 2010-2011 school year will not be sold during registration week. Instead, all students will receive a yearbook order form mailed directly from Josten's in the fall. 2009-2010 yearbooks will be delivered to the High School sometime in the fall.

-Jeffery Hall Photography takes the undergraduate pictures, but any senior needing a yearbook photo can have it taken during Registration week. There will be a retake day announced once the school year starts for students who are unable to have their pictures taken during registration.
