**Re: Senior Night Recognition on Thursday, February 9**

Each year the Otsego Athletic Department recognizes Senior athletes and their Parents at a home basketball game. This year the game is **Thursday, February 9 vs. Lake**. Each athlete will be recognized and we ask parents to escort their son/daughter across the court and remain until all students and parents have been recognized.

All parents are to meet in the northeast entrance (player entrance) of the gym with 2 minutes remaining in the Junior Varsity game. You may access that entrance through the hallway behind the gym (D hallway).

There will be a poster stating the order of athletes. As you assemble in the hallway please line up in order so that we may get things started on time.

Please complete the form below and return it to Joyce in the high school office no later than Monday, February 6.
