

Dear Parents,

We are looking forward to teaching your child in the fall. For the upcoming school year, would you please provide the following supplies and have your child bring them to school in the fall. As school supplies are very expensive, please feel free to **"RECYCLE"** any usable supplies which your son or daughter may already have at home.

Additional or special supplies may be needed for special projects throughout the year, but we will let you know as the need arises.

PLEASE put your child's name on all personal belongings **unless noted otherwise**.

Please feel free to call or send a note whenever you feel the need. It is important that the teacher and parents work together to insure a successful year for the children.

Thank You!!!

Grand Rapids Elementary Teachers
